With Gut as our official scientific journal, IDDF offers you a prime opportunity to publish your paper in a first class medical journal. No ordinary publication, Gut is an authoritative international Gi journal. Voted one of the top destinations to see in 2015 by the New York Times, Greenland has been dramatically shaped—geographically and culturally—by the ice that dominates and is one of the best places to witness the magic of the Northern Lights. Launched in 2017, Hanover Square Press aims to publish compelling, original fiction and narrative nonfiction—the kind of books that keep you up all night reading and that you want to talk about the next morning. TOURS. Learn how we make our award-winning sparkling wines with a detailed tour of our vineyard and winery followed by a tutored tasting. We conduct our very popular tours all year round, please see here for available dates. - Captivating A Guided Journal
