The author exclaims at the popularity of a Shia festival like Muharram given the fact more than 80% indentured Indian migrants were Hindu and over 90% Muslim indentured migrants from India were Sunnis. This book thus fills an important gap in the indentured historiography, both to understand that past as well as to make sense of the present, when Muslim identities are undergoing rapid changes in response to both local and global realities. The book includes a chapter on the experiences of Muslim indentured immigrants of Indonesian descent who settled in Suriname. indentured muslims in the diaspora Download Indentured Muslims In The Diaspora ebook PDF or Read Online books in PDF, EPUB, and Mobi Format.
