

Download Art Of Encaustic Painting : Contemporary Expression In The Ancient Medium Of Pigmented Wax

Encaustic painting, also known as hot wax painting, involves using heated beeswax to which colored pigments are added. The liquid or paste is then applied to a surface—usually prepared wood, though canvas and other materials are often used. The simplest encaustic mixture can be made from adding pigments to beeswax, but there are several other recipes that can be used—some containing other ...Books & Learning Media.
