

Download Corporate Governance In Australia And New Zealand

Corporate governance is the collection of mechanisms, processes and relations by which corporations are controlled and operated. Governance structures and principles identify the distribution of rights and responsibilities among different participants in the corporation (such as the board of directors, managers, shareholders, creditors, auditors, regulators, and other stakeholders) and include ...Corporate Governance. The IDEXX board of directors and leadership team is committed to sound corporate governance. We seek to set and maintain the highest standards of ethics, while building exceptional long-term value for our customers, employees, and shareholders. Our approach to Corporate Governance is built upon a set of strong principles and values set by the Board of Directors for our management and employees.
