The Metropolitan Museum of Art of New York City, colloquially "the Met", is the largest art museum in the United States. With 6,953,927 visitors to its three locations in 2018, it was the third most visited art museum in the world. Its permanent collection contains over two million works, divided among seventeen curatorial departments. New Order's Singles compilation from 2005 was beset by problems including a highly compressed 'remastering' and incorrect versions of some tracks. Latest news and events.
