Leadership is crucial in all aspects of life. For a professional, who wants to rise in life, having the capability to lead others is vital. Proving to superiors that guide and manage those under you can drive to either pay rise or promotion. Learning to Lead helps first time managers understand the nature of this transition and develop critical people skills. Teacher leadership is about increasing pathways and opportunities for teachers to exercise leadership, elevating teacher voice to inform and develop policy and practice and expanding existing efforts to steer systemic improvements to benefit student learning. Advice, evaluation, grades—none of these provide the descriptive information that students need to reach their goals. What is true feedback—and how can it improve learning? - Learning To Lead : Effective Leadership
