

Download Mass Media And The Law

Mass media law is a legal field that encompasses a variety of communications industries, such as print media, film, broadcasting, and the Internet. With modern communications technologies, the mass media has the ability to affect many people in a variety of ways. The laws that govern these communications can be...Start studying Mass Media Law Final. Learn vocabulary, terms, and more with flashcards, games, and other study tools. In its twentieth edition, Mass Media Law comprehensively examines the principles of media law, First Amendment freedoms of speech, and press and assembly. This timely revised edition is extremely pertinent in this era of both “fake news” and open hostility by some politicians toward the press. Also, anyone who says this book does not need to be republished frequently clearly is missing a fundamental point of media law: the mass media and the law are ALWAYS changing. Year to year, and sometimes month to month, new laws are made and new standards set. - Mass Media And The Law
