Baffling Links to Ancient India: History is full of misnomers; one such term is the New World, as applied to the Americas. The landing of Columbus in 1492 undoubtedly created a new life on the continents, but it neither created nor discovered a new world. The history of ancient India is largely a history of Hindu culture and progress. Hindu culture has a distinct claim to a higher antiquity than Assyrian schools would claim for Sargon I and as much or even higher antiquity than Egyptian scholars would claim for the commencement of the first dynasty of Kings. - Men Out Of Asia (lc History-america-e)
