"If he is remembered at all, Ted Healy is known as the man who assembled the trio that came to be known as The Three Stooges. Little is known about the comedian himself, a boyhood friend of Moe Howard who went on to achieve considerable success on stage and screen. Nobody's Stooge - Ted Healy is Bill Cassara's best book to date on movie performers whom's stories would be lost to time if not for the incredible amount of research and sources that this was drawn from. A celebration of a master entertainer. As presented by Bill Cassara, author of Ted Healy - Nobody's Stooge. Check out the author page here! [www.billcassara.com](http://www.billcassara.com). Ted Healy was much more than a piece of The Three Stooges' early history, and Bill Cassara details the man's fascinating life and career in complete perspective. - Nobody S Stooge Ted Healy
