

# Download Pies For The Holidays

Order your holiday pies before 11/26 to ensure their arrival by Christmas. JDPies is committed to the highest quality standard of freshness for each and every one of our products. In order to deliver a premium experience our products are shipped frozen and require a short delivery window to arrive frozen to partially thawed. By definition, a pie is baked in a crust. The crust is where people often get stymied. In this class, we will focus on techniques for perfecting the crust - making the dough, rolling it out, blind baking, and decorating. Easy Pies to Make for the Holidays (Gluten-Free, Dairy-Free, and Vegan options) Posted November 20, 2018 March 14, 2019 Dana These pies are easy to make for the Holiday season. We all gather for the holidays—with family, with friends, with coworkers, even. There's something about putting a 20-pound turkey on a table that just brings people together. - Pies For The Holidays
