

Download Potterton Ep2000 Programmer Manual

Q: Hi, I have a Potterton EP2002 with a Honeywell FrostStat alongside and wired in, but no other room stat anywhere in the house (almost all the rads have stats on). I have independent control of HW and CH via the sliders, but not via the timer (all on or none - provided sliders are both set to timed - I have two timers and can differentiate weekday vs weekend) If I replace with an EP2, will I ...
