Pottery dating from 20,000 years ago was found at the Xianrendong Cave site in Jiangxi province, making it among the earliest pottery yet found. Another reported find is from 17,000–18,000 years ago in the Yuchanyan Cave in southern China. Korean Buddhism is distinguished from other forms of Buddhism by its attempt to resolve what it sees as inconsistencies in Mahayana Buddhism. Early Korean monks believed that the traditions they received from foreign countries were internally inconsistent. La céramique chinoise, principalement connue pour la porcelaine que les Chinois ont inventée, est riche d'une longue tradition d'innovations techniques et stylistiques. - Pottery Porcelain Culture China Zhiyan
