Origin and early years. Aspasia was born in the Ionian Greek city of Miletus (in the modern province of Aydın, Turkey). Little is known about her family except that her father's name was Axiochus, although it is evident that she must have belonged to a wealthy family, for only the well-to-do could have afforded the excellent education that she received. Heroes and Villains - A little light reading. Here you will find a brief history of technology. Initially inspired by the development of batteries, it covers technology in general and includes some interesting little known, or long forgotten, facts as well as a few myths about the development of technology, the science behind it, the context in which it occurred and the deeds of the many ... Like other aspects of Roman life, sexuality was supported and regulated by religious traditions, both the public cult of the state and private religious practices and magic. Sexuality was an important category of Roman religious thought. The complement of male and female was vital to the Roman concept of deity. The Dii Consentes were a council of deities in male-female pairs, to some extent ... Kobiety w średniowieczu pełniły wiele różnych ról społecznych. Wśród pozycji społecznych, które zajmowały były role: żon, matek, chłopek, rzemieślniczek, zakonnice, a także role przywódcze: opatek i królowych. Samo pojęcie „kobiety” zmieniało się w okresie średniowiecza na co wpłynęło kilka czynników. - The Concept Of Woman The Aristotelian Revolution 750 Bc A D 1250
