HSC Technical Certificate Unit 307 information - Understand how to handle information in social care settings  
The numbers after each question relate to the assessment criteria in the standards 1. Identify legislation and codes of practice that relate to handling information in social care settings The Data Protection Act 1998 gives people right to see the information recorded about them.?Occupational health and safety Occupational health and safety is a discipline with a broad scope involving many specialized fields. In its broadest sense, it should aim at: the promotion and maintenance of the highest degree of physical, mental and social well-being of workers in all occupations; the prevention among workers of adverse effects on health caused by their working conditions ...Hey guys, Ive lurked around these posts for a long time but never posted anything. Today I felt a call to tell ofthers about my hair loss experience in hopes to save others from the pain I felt. If you're young like I am and haven't lost too much hair yet, this post is for you. I've stopped my hair loss and I want to share this with everyone. - Unit Hsc 307 Answers
